

Checking and Savings | Rate and Fee Schedule

Effective Date: July 25, 2024

This Rate and Fee Schedule sets forth current conditions, rates, fees, and charges applicable to your accounts at Red Canoe Credit Union at this time. The Credit Union may offer other rates and fees to amend the rates and fees contained in this schedule from time to time. All rates subject to change without notice. Each account holder agrees to the terms set forth on this Rate and Fee Schedule and acknowledges that it is part of the Membership and Account Agreement. Except as specifically described, the following disclosures apply to all accounts. Your account is non-transferable and non-negotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union. * APY = Annual Percentage Yield.

TRUTH IN SAVINGS DISCLOSURE

Savings & Checking Accounts

1. Rate Information. APY=Annual Percentage Yield. The Dividend Rate and Annual Percentage Yield on your accounts are listed here. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for an annual period. The Dividend Rate may change daily as determined by the Board of Directors. The Annual Percentage Yield is accurate as of the last dividend declaration date. Round Up Savings and Money Market are tiered rate accounts. The Dividend Rate for a tier will only apply to the portion of account balance within the tier. APY range will vary depending on balance and is shown for each tier.

2. Nature of Dividends. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield listed here are accurate as of the Effective Date. Please refer to our current Rate and Fee Schedule online for current Dividend Rates and Annual Percentage Yields.

3. Compounding and Crediting. Dividends will be compounded and credited monthly. The Dividend Period for all dividend bearing accounts is listed above and begins on the first calendar day of the month and ends on the last calendar day of the month. Fees could reduce earnings.

4. Accrual of Dividends. Dividends will begin to accrue on cash deposits on the business day you make the deposit to your account. Dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account.

5. Balance Information. The minimum balance required to open each account is listed here. For Money Market Accounts, the minimum daily balance required to obtain the stated Annual Percentage Yield for the Dividend Period is listed here. Dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day.

6. Round Up Savings

PROGRAM PARTICIPATION - A checking account is required. Only one Round Up Savings account per checking account is permitted. The Round Up Savings account ownership will be the same as the checking account ownership. Funds can be withdrawn from the Round Up Savings account, but no additional deposits other than the Round Up transfer amounts and earned dividends are allowed. Members can enroll/unenroll in the Round Up Savings account without restriction online, by visiting a branch location, or by contacting the credit union at 1-800-562-5611. APY is subject to change at any time.

QUALIFYING TRANSACTIONS - Include debit card, online purchases, recurring transactions, and Point of Sale (POS) transactions. ATM transactions do not qualify. The total of all Round Up transfers will post in one transaction. Round Up transfers are calculated based on the post date of the qualified transaction. A Round Up transfer will not occur if there are insufficient funds in the Checking account.
